156. 语文怎么听写 | How Chinese Dictation Works

2026-10-09 · 语文 Chinese class · 听写 Dictation · 拼音 Pinyin

> 父亲问孩子语文课如何听写：老师读词，学生按要求写汉字和拼音。
> A father asks his child how dictation works in Chinese class: the teacher reads out words, and students write the characters and pinyin as instructed.

Speakers: A - 父亲 Father | B - 孩子 Child

A：你们要写单个词，还是整个句子写下来?
nǐ men yào xiě dān gè cí, hái shì zhěng gè jù zi xiě xià lái?
Do you write down individual words or whole sentences?

B：词语。比如“语文”、“数学”那些词。
cí yǔ. bǐ rú “yǔ wén”,“shù xué” nà xiē cí.
Words. Like "yuwen" (Chinese) and "shuxue" (math).

A：我知道，只写汉字而已吧?
wǒ zhī dào, zhǐ xiě hàn zì ér yǐ ba?
I see. Just the Chinese characters, right?

B：要写拼音。
yào xiě pīn yīn.
We have to write pinyin.

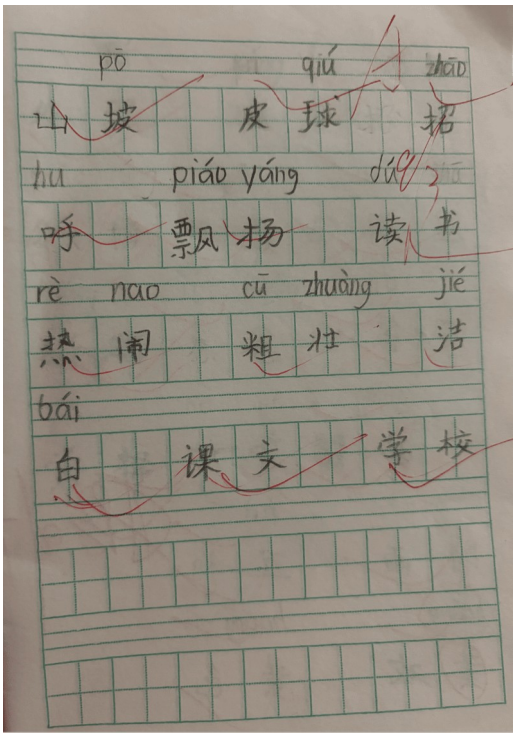

A：是不是汉字和拼音一起写?
shì bú shì hàn zì hé pīn yīn yì qǐ xiě?
Do you write both the Chinese characters and the pinyin?

B：有些汉字不用写拼音，教过的不用写拼音。
yǒu xiē hàn zì bù yòng xiě pīn yīn, jiào guò de bù yòng xiě pīn yīn.
We don't have to write pinyin for some characters. If we've been taught the character, we don't need to write its pinyin.

A：你怎么知道，哪些不用写拼音?
nǐ zěn me zhī dào, nǎ xiē bù yòng xiě pīn yīn?
How do you know which ones don't need pinyin?

B：老师念了的，像“山坡的坡写拼音”。
lǎo shī niàn le de, xiàng “shān pō de pō xiě pīn yīn”.
The teacher tells us. Like, 'Write the pinyin for "po" (slope) in "shanpo" (hillside).'

> 老师读的时候，会说哪些字要写拼音。
> As the teacher reads out the words, they tell us which characters we need to write pinyin for.

A sample dictation exercise

SceneTalk Mandarin

SceneTalk Mandarin is designed for Mandarin beginners and travelers visiting China, helping you start speaking Chinese in real-life situations. It includes offline content such as scene-based dialogues, key expressions, cultural tips, background articles, and human-recorded Chinese audio, helping you learn common, natural Chinese expressions used in real communication.

The iOS app is available on the App Store in all regions outside mainland China.
