186. 野外拿什么点火 | Starting a Fire in the Wild

野外生存 Wilderness survival · 点火 Starting a fire

> 放学路上，父亲和孩子聊起野外可以拿什么点火。
> On the way home from school, the father and child talk about what they could use to start a fire in the wild.

Speakers: A - 父亲 Father | B - 孩子 Child

A：野外生存，你想到拿什么点火?
yě wài shēng cún, nǐ xiǎng dào ná shén me diǎn huǒ?
If you had to survive in the wild, what would you use to start a fire?

B：拿个打火机点火。
ná gè dǎ huǒ jī diǎn huǒ.
I'd use a lighter.

A：打火机最终会用完那些油或者气的。有打火石，网上有打火石头卖。
dǎ huǒ jī zuì zhōng huì yòng wán nà xiē yóu huò zhě qì de. yǒu dǎ huǒ shí, wǎng shàng yǒu dǎ huǒ shí tou mài.
A lighter will eventually run out of fluid or gas. You could use a flint fire starter. They sell them online.

A：另外一种是放大镜，像一张纸那么大的。太阳照过来，你拿树叶把放大镜放过去聚焦就能点燃。
lìng wài yī zhǒng shì fàng dà jìng, xiàng yī zhāng zhǐ nà me dà de. tài yáng zhào guò lái, nǐ ná shù yè bǎ fàng dà jìng fàng guò qù jù jiāo jiù néng diǎn rán.
Another option is a magnifying glass, one about the size of a sheet of paper. When the sun is shining, you can hold it over some leaves and focus the light to set them on fire.

B：那我的放大镜行吗?
nà wǒ de fàng dà jìng xíng ma?
Would my magnifying glass work?

A：你的那个应该不行。
nǐ de nà ge yīng gāi bù xíng.
Yours probably wouldn't.

B：我的只会反光。
wǒ de zhǐ huì fǎn guāng.
Mine just reflects light.

A：要不买个打火石。然后拿那个一搓就出很多火星。
yào bù mǎi gè dǎ huǒ shí. rán hòu ná nà ge yī cuō jiù chū hěn duō huǒ xīng.
Maybe we should buy a flint fire starter. Just scrape it and you get lots of sparks.

B：打火石搓它干嘛?
dǎ huǒ shí cuō tā gàn má?
Why do you have to scrape the fire starter?

A：打火石是半夜晚上都可以打火。放大镜只能白天有太阳才能打火，如果没太阳你就呵呵呵，over了。

dǎ huǒ shí shì bàn yè wǎn shàng dōu kě yǐ dǎ huǒ. fàng dà jìng zhǐ néng bái tiān yǒu tài yáng cái néng dǎ huǒ, rú guǒ méi tài yáng nǐ jiù hē hē hē,over le.

A flint fire starter works even in the middle of the night. A magnifying glass only works in the daytime when the sun is out. If there's no sun, then, ha ha ha, it's game over!

My Real-Life Mandarin — 2026 Q3: Wind in Our Ears

142 real-life conversations and 36 Chinese-English poems.

Explore everyday Mandarin with simplified Chinese, pinyin, and natural English translations.
