

按风向关窗

Close Windows Based on the Wind Direction

2026-08-16

下雨 rain

窗户 window

风向 wind direction

下雨时关窗，不仅要看风的大小也要看风向。

When it rains, closing windows is not just about how strong the wind is. You also have to look at the wind direction.

Speakers: A - 孩子 child | B - 父亲 father

A: 你这边还不是没关窗？

nǐ zhè biān hái bú shì méi guān chuāng?

But you didn't close your window either.

B: 我这边是南边不用关。

wǒ zhè biān shì nán biān bù yòng guān.

This side faces south, so I don't need to.

B: 你知道现在刮的是什么风吗？

nǐ zhī dào xiàn zài guā de shì shén me fēng ma?

Do you know which way the wind is blowing now?

A: 狂风！

kuáng fēng!

A strong wind!

B: 狂风？也对。但我说的是方向，不是大小！

kuáng fēng? yě duì. dàn wǒ shuō de shì fāng xiàng, bú shì dà xiǎo!

A strong wind? That's true. But I mean the direction, not how strong it is!

父亲其实想问的是南风还是北风？

Dad was actually asking whether it was a south wind or a north wind.

Rain and wind outside the window

SceneTalk Mandarin

SceneTalk Mandarin is designed for Mandarin beginners and travelers visiting China, helping you start speaking Chinese in real-life situations. It includes offline content such as scene-based dialogues, key expressions, cultural tips, background articles, and human-recorded Chinese audio, helping you learn common, natural Chinese expressions used in real communication.

The iOS app is available on the App Store in all regions outside mainland China.
