190. 沙漠有沙尘暴吗 | Are There Sandstorms in the Desert?

2026-11-10 · 沙漠 Deserts · 沙尘暴 Sandstorms

> 放学路上，父子俩讨论沙尘暴。
> On the way home from school, a father and son talk about sandstorms.

Speakers: A - 父亲 Father | B - 孩子 Child

B：沙漠有沙尘暴吗?
shā mò yǒu shā chén bào ma?
Are there sandstorms in the desert?

A：十多年前，像北京那块，靠近沙漠，冬天春天都有沙尘暴！
shí duō nián qián, xiàng běi jīng nà kuài, kào jìn shā mò, dōng tiān chūn tiān dōu yǒu shā chén bào!
Over ten years ago, places like Beijing used to get sandstorms in both winter and spring. They're close to the desert!

A：你知道沙尘暴是什么样子的吗?
nǐ zhī dào shā chén bào shì shén me yàng zi de ma?
Do you know what a sandstorm looks like?

B：不知道！
bù zhī dào!
No!

A：灰蒙蒙的，什么都看不清。污染很严重！
huī méng méng de, shén me dōu kàn bù qīng. wū rǎn hěn yán zhòng!
It's all gray and hazy. You can't see anything clearly. The air pollution is really bad!

B：给个图呗。
gěi gè tú bei.
Can you show me a picture?

A：就是沙子飘在空中，很小的颗粒。现在种了很多树，很多就没了。
jiù shì shā zi piāo zài kōng zhōng, hěn xiǎo de kē lì. xiàn zài zhǒng le hěn duō shù, hěn duō jiù méi le.
It's just tiny particles of sand floating in the air. They've planted lots of trees now, so sandstorms are much less common.

B：沙漠有树吗?
shā mò yǒu shù ma?
Are there trees in the desert?

A：沙漠树少啊，后面种了好多树了。
shā mò shù shǎo a, hòu miàn zhǒng le hǎo duō shù le.
Deserts don't have many trees, but they've planted a lot more since then.
