119. 没有足球课了 | No More Football Classes

2026-09-08 · 兴趣课 After-school classes · 足球 Football

> 父亲和孩子讨论本学期放学后该选什么兴趣课。
> A father and his child talk about which after-school class to choose this term.

Speakers: A - 父亲 Father | B - 孩子 Child

A：你那个校内足球课好像没有了！
nǐ nà ge xiào nèi zú qiú kè hǎo xiàng méi yǒu le!
Looks like they don't offer that football class at school anymore.

B：什么意思？
shén me yì si?
What do you mean?

A：课表里面，校内课只有一个篮球课，校外足球课只对一年级开放。
kè biǎo lǐ miàn, xiào nèi kè zhǐ yǒu yí gè lán qiú kè, xiào wài zú qiú kè zhǐ duì yì nián jí kāi fàng.
The only school-run class on the schedule is basketball, and the football class from an outside provider is only for first graders.

> 兴趣课中，校内课程免费，校外课程收费且价格很贵。
> The school-run classes are free, while those run by outside providers charge fees and are very expensive.

A：估计报不了足球了，要不只能报校内篮球了？
gū jì bào bù liǎo zú qiú le, yào bù zhǐ néng bào xiào nèi lán qiú le?
So you probably can't sign up for football. Does that mean the school basketball class is your only option?

B：我不喜欢篮球。
wǒ bù xǐ huān lán qiú.
I don't like basketball.

> 孩子只喜欢踢足球。
> The child only likes playing football.

A：那你不报也不行。你要报一个运动啊，不然你的眼睛受不了的。
nà nǐ bú bào yě bù xíng. nǐ yào bào yí gè yùn dòng a, bù rán nǐ de yǎn jīng shòu bù liǎo de.
But you can't skip sports altogether. You need to sign up for one, or it'll be bad for your eyes.

> 没有足够的运动，眼睛更容易近视。
> Without enough exercise, the child is more likely to become nearsighted.

SceneTalk Mandarin

SceneTalk Mandarin is designed for Mandarin beginners and travelers visiting China, helping you start speaking Chinese in real-life situations. It includes offline content such as scene-based dialogues, key expressions, cultural tips, background articles, and human-recorded Chinese audio, helping you learn common, natural Chinese expressions used in real communication.

The iOS app is available on the App Store in all regions outside mainland China.
